

SPRINT #4

SPRINT RETROSPECTIVE MEETING

Purpose – to discuss how we felt about this sprint, to see what worked well and what did not work well. This meeting could also give insight into areas of improvement and how the challenges we faced could be avoided in future sprints.

01/11/2021:

Mellisha: I think this sprint went well despite some minor issues. I hope we can continue to work well for the final sprint

Bianco Van Der Ross: I think this sprint went well with some minor logistics errors but quickly solved teamwork and communication vastly improved. Current standings things are looking good for the final submission

Kineta: Overall I think this sprint went relatively well. There were a few issues, in particular our email for Not Discovery was compromised and our Travis ci was disabled due to some payment issue. I'm very proud of the team and I look forward to presenting the final sprint

Mahdiyah Manjra: Overall I think that the team worked well together despite having trouble with our email being compromised. The team worked hard, and I am proud of the team's efforts.

Zahraa: Overall I think the sprint went well despite some issues arising, the project has come along nicely, and I am excited to deliver a great final product

Ryan: Communications keeps improving each sprint. Even though we had a few issues along with a large workload, we managed to produce something really good. We are on track to create a very good final product

Jack: All went well beside our email got hacked at the end but that can be changed anytime. I'm happy with the product we developed.

Deshan: The timelines for this sprint were much better. Everything went well, communication and collaboration was smooth. Few to no issues.
